

Welcome to the August edition of the safetxt newsletter. Hopefully you are enjoying the sunshine as much as we are.

July has seen a great improvement in recruitment figures with a total of 40 participants.

We also randomised our 100th participant this month!

Well done to everyone so far, and a big congrats to Staffordshire who randomised their first participant.

We are in the process of gathering some recruitment tips to share with everyone in the next newsletter.

We are interested to hear your ideas and please share your photos too! Please email: safetxt@LSHTM.ac.uk
