Recruitment Update

It has been another fantastic month for recruitment, and we are now over 10% of the way to our target.

Well done to Jane, Jo and Sophie in Solent; and Sophie, Mini and Sathya at Chelsea and Westminster who have improved recruitment numbers at their sites this month. A special mention goes to Nara and the team in Coventry, and Memory and the team in Luton who have both had a really great start to recruitment,. It was another great start for Jenny and the team in Kingston who opened for recruitment and randomised a participant in the same afternoon.

We would like to take this opportunity to thank you for your continued support for safetxt over the last few months and wish you a very happy holiday. We look forward to working with you all again in the new year.
